## - THE FLYING TIGER -

Set over two levels, the second overlooking the courtyard, The Flying Tiger has five customisable spaces perfect for catering your next event. Sit down amongst the hanging gardens and watch the condensation beading on your cocktail glass, you'll be convinced you've been transported back to a romantic outpost at the edge of the world – especially when you see an authentic P-40 Warhawk, the pride of the Flying Tiger, nestled in the wall.

### The Restaurant

Perfect for a formal dinner for up to 40 guests, or a casual cocktail party for up to 50, The Restaurant has its own serviced bar and the ability to close the room off, ensuring privacy for your event.

### The Greenroom

Looking for a smaller and more intimate space? The Greenroom can seat 12 people for a formal dinner party, with standing room for 20 for a cocktail event.

### The Courtyard

For a less formal gathering, The Courtyard offers both sit down and casual bar height tables for up to 80 guests, enabling your guests to mingle freely and network. There is also space for a live band if your event is less about conversation, and more about perspiration.

### The Balcony

Nestled up high, overlooking the courtyard, The Balcony can be configured in several different ways. Custom seating arrangements range from two long tables for 30 people combined, to more of an informal cocktail style.

### The Runway

Overlooking the courtyard, this area can hold up to 16 people seated or 20 standing up. This space can be booked privately, or, as The Runway overflows from the Greenroom, the two can be combined to allow for extra people.

Several of our spaces can overflow and merge together. Ask about customising your event.
